FANTASY '81

FANTASY

Every man has a place, in his heart there's a space,
and the world can't erase his fantasies-
Take a ride in the sky, on our ship fantasii-
All your dreams will come true, right away.

And we will live together, until the twelfth of never,
Our voices will ring forever, as one-

Every thought is a dream, rushing by in a stream,
Bringing life to your kingdom of doing-
Take a ride in the sky, on our ship fantasii-
All your dreams will come true, miles away.

Our voices will ring together, until the twelfth of never,
We all, will live love forever, as one-

Come to see, victory, in the land called fantasy,
Loving life, a new decree,
bring your mind to everlasting liberty-

Our minds will explore together, old worlds,
we conquer, forever,
We then, will expand love together, as one-

Come to see, victory, in a land called fantasy,
Loving life, for you and me, to behold,
to your soul is ecstacy.
You will find, other kind,
that has been in search of you,
Many lives have brought you to,
recognize it's your life, now in review-
And, as you stay for the play,
fantasy, has in store for you,
A glowing light will see you through-
It's your day, shining day-all your dreams come true-
As you glide, in your stride with the wind,
as you fly away, give a smile from your lips,
and say-
I am free, yes I'm free, now I'm on my way.

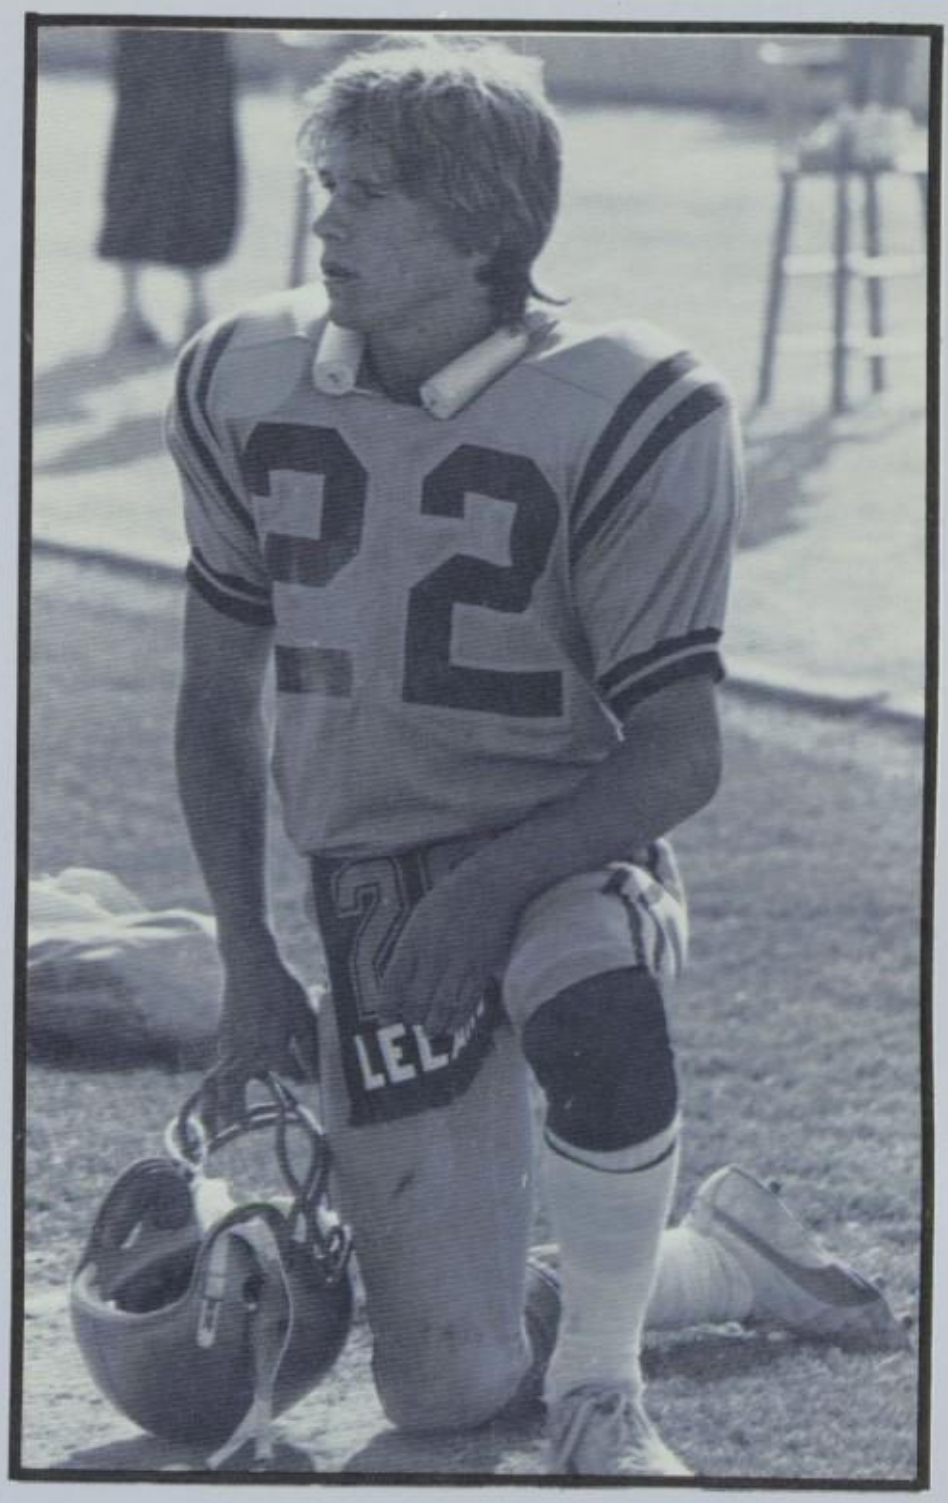
Our Book of Dreams

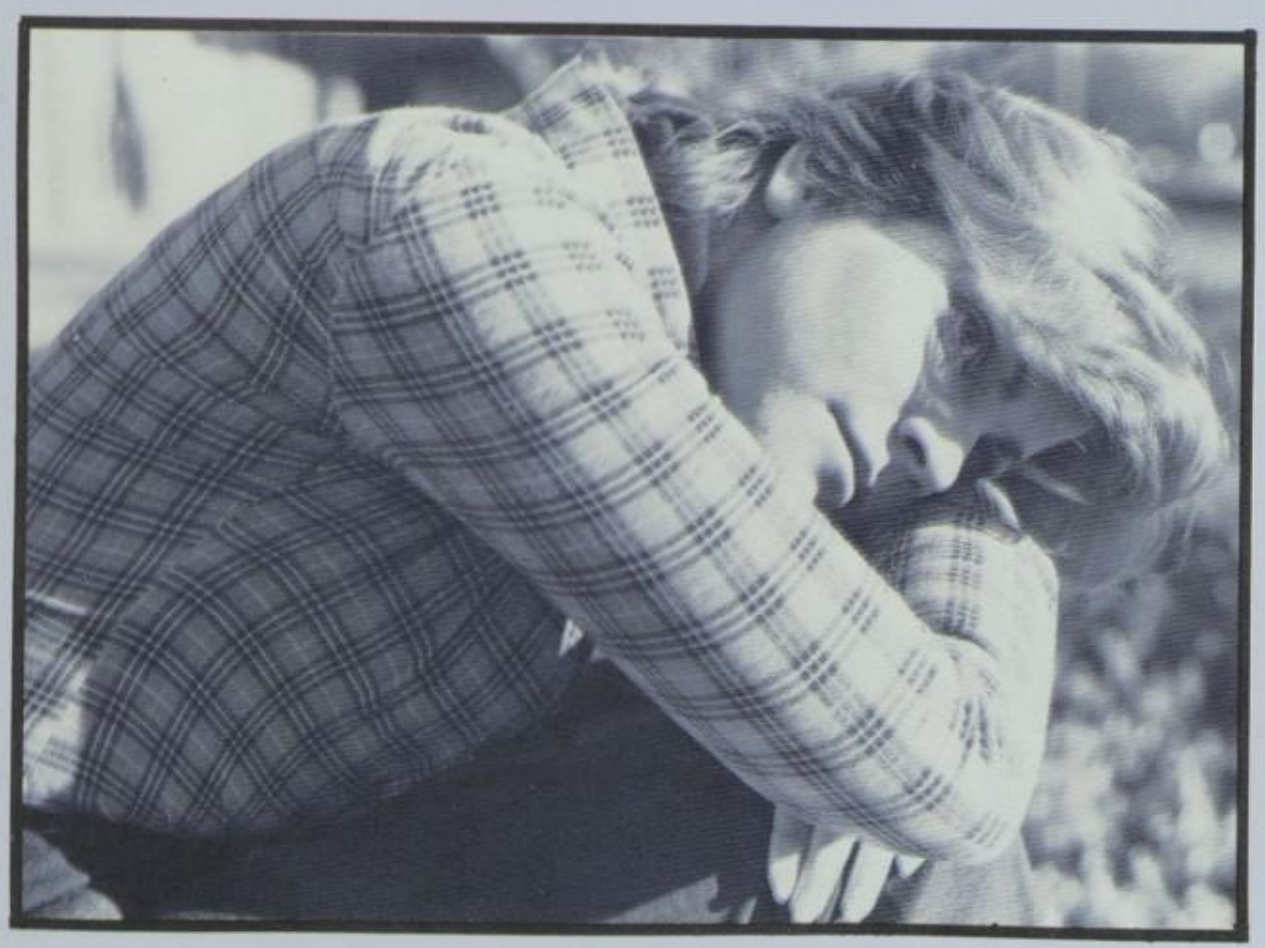
FANTASY

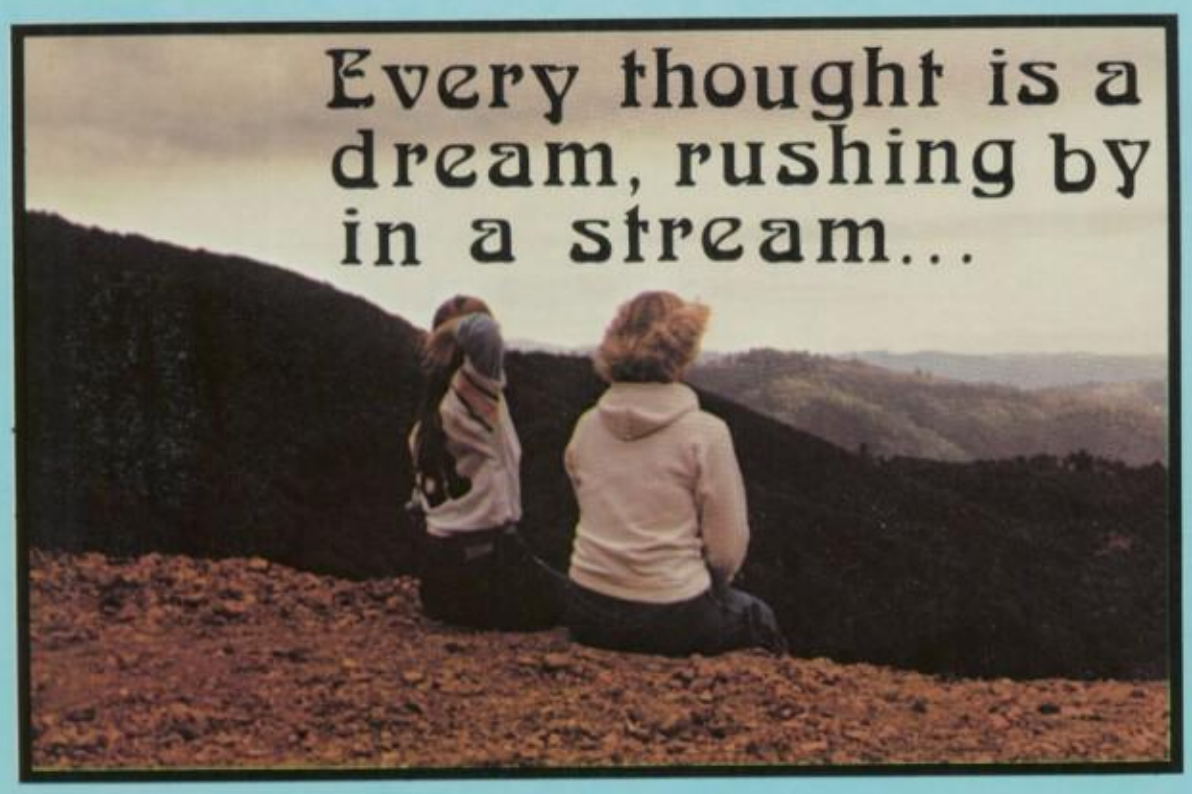
'81

Everyone has a place, in their heart
there's a space, and the world can't
erase their fantasies...

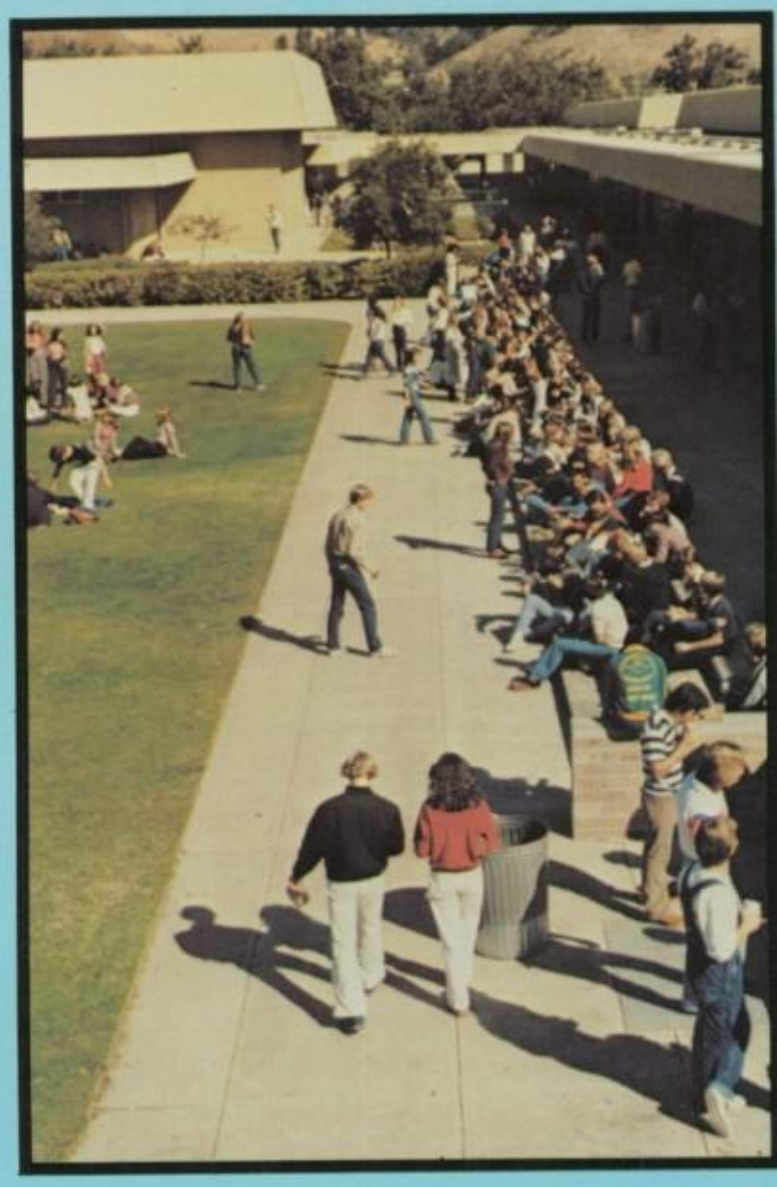
All your dreams
will come true,
miles away.

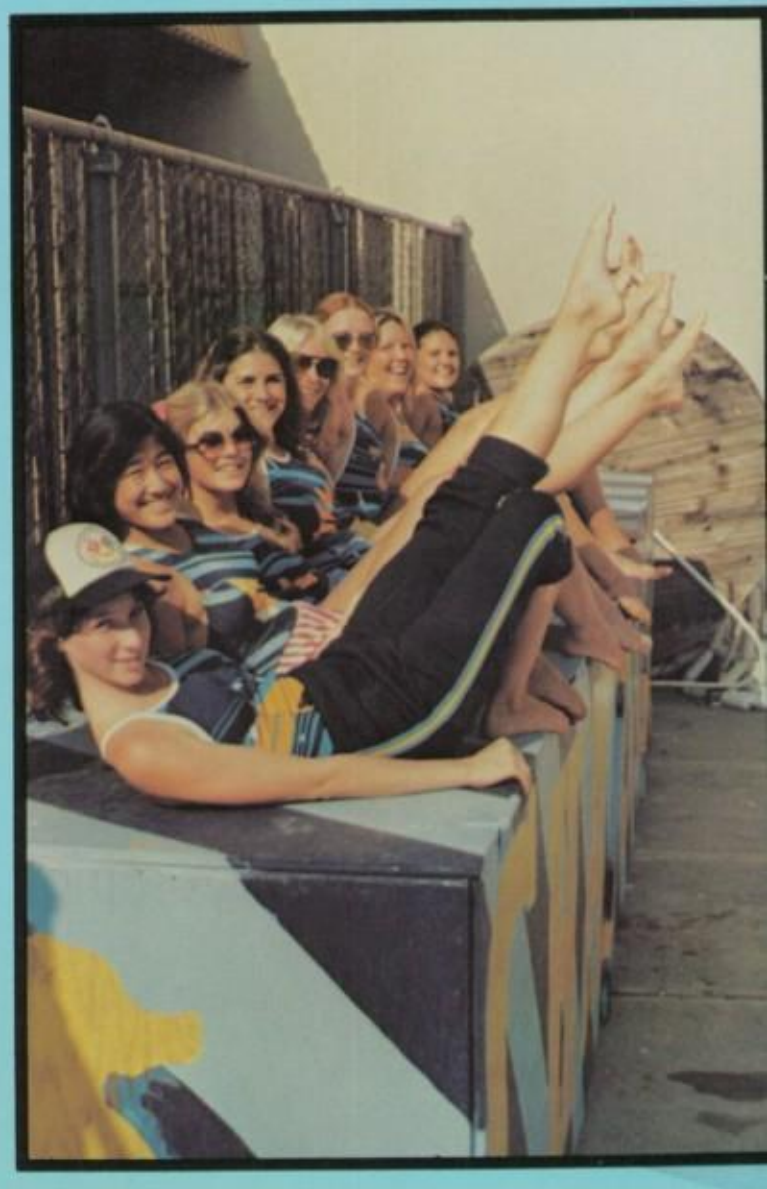


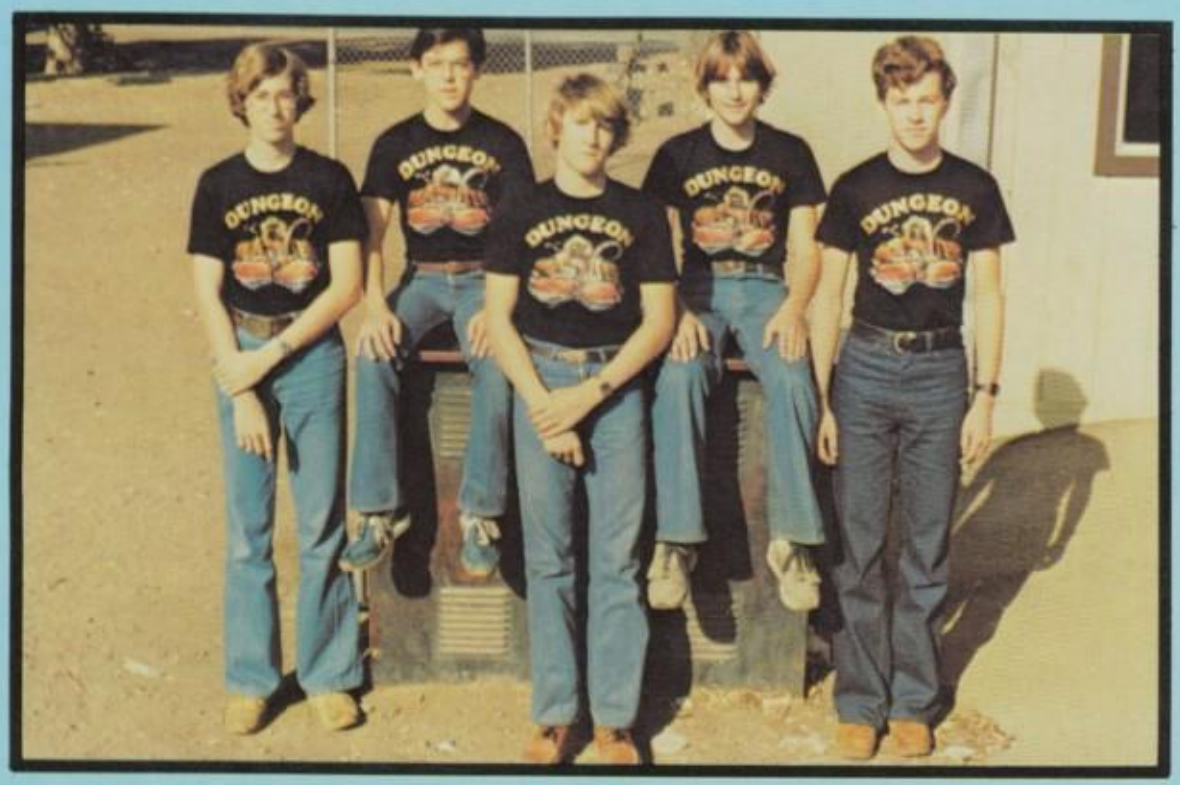




Every thought is a
dream, rushing by
in a stream...

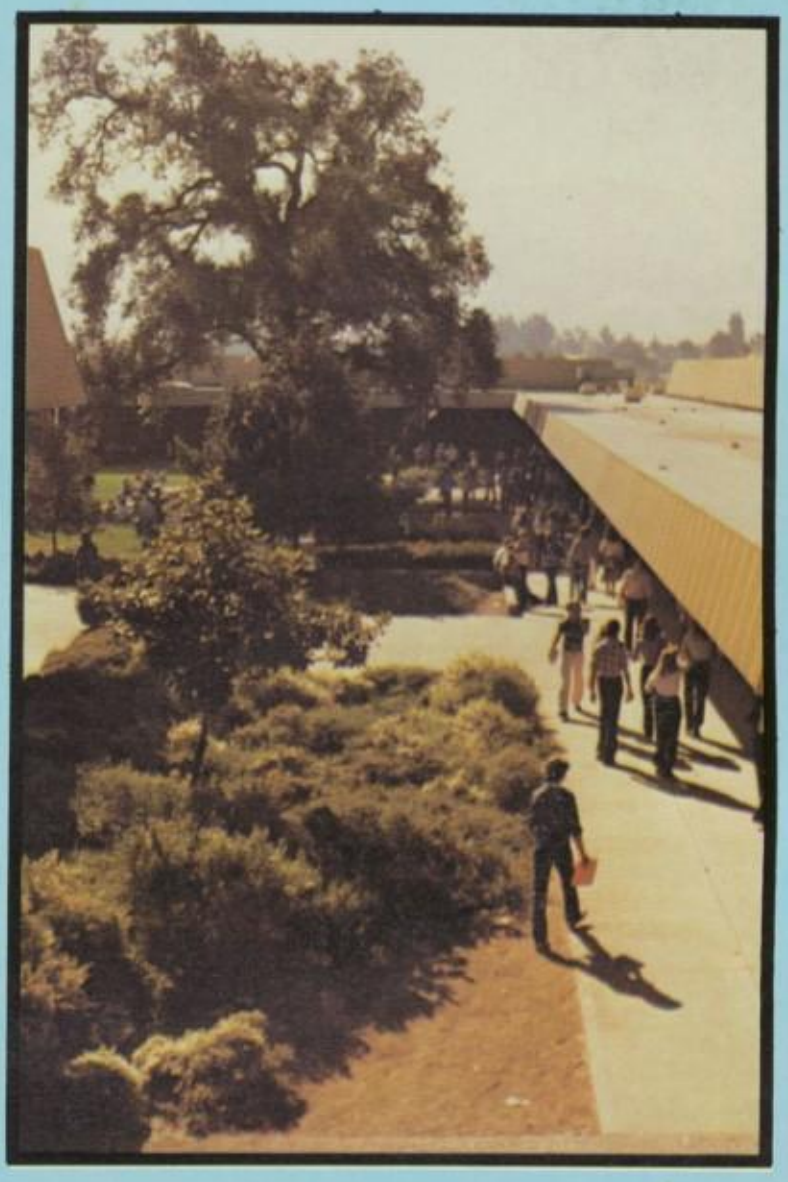


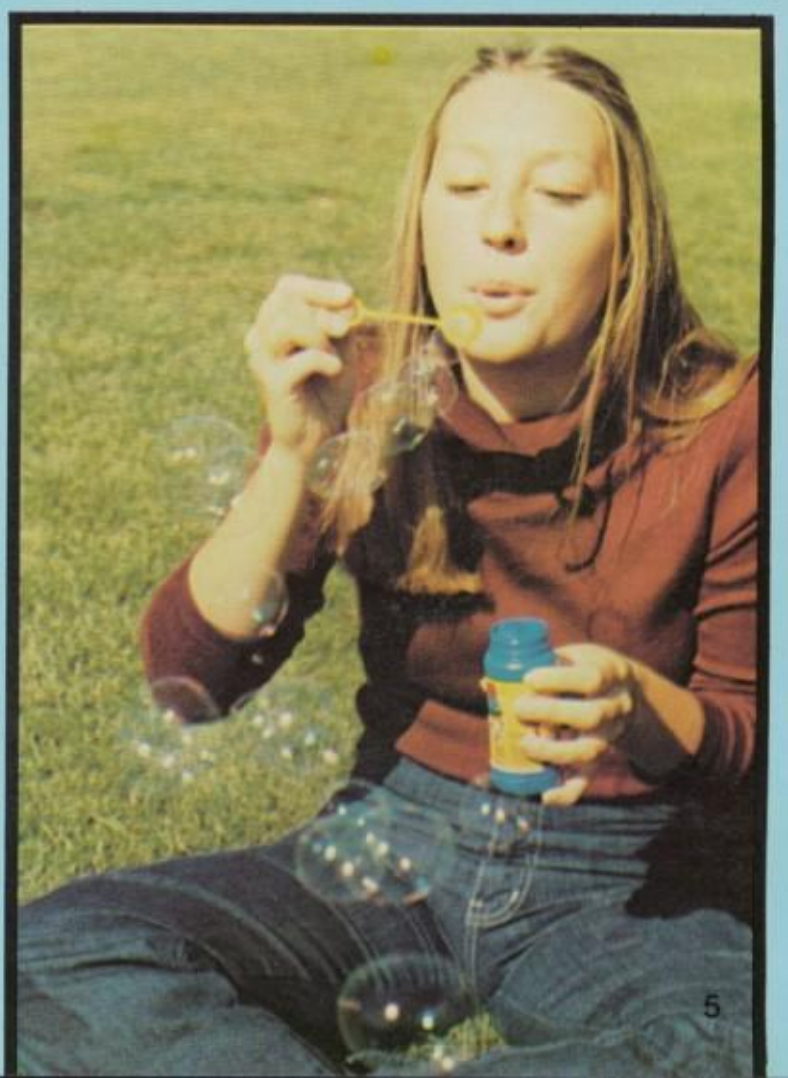




Bringing life to your kingdom of doing...

To do a perfect dive, to be a bathing beauty, to build a pyramid, to watch a sunset with a friend, to be a winning volleyball team, to be a successful farmer, to share the fantasy of Dungeons and Dragons, and to blow a stream of perfect bubbles are all in our kingdon of doing.





SOPHOMORES

JUNIORS

Take a ride in the sky, on our ship fantasii...

SENIORS

Everyone has a fantasy with which they can identify. One shared by many of the students is that of pulling into the Leland parking lot at 7:30 a.m. driving a Turbo Porsche. But, reality must catch up with us!

The sophomores transportation consists of an ancient carrier called the "bike".

The juniors are a little more responsible, and can sometimes manage to catch the bus.

The sophisticated senior drives to school. Some of the luckier ones own their own cars, such as Stan Schultz and his "Lil' Turbo".

And we will live together, until the twelfth of never. Our voices will ring forever, as one--

FANTASY

Homecoming dance is a great success

The Homecoming Dance of 1980 made a lot of fantasies come true. The band, "Palace", played the night away as the couples danced among the clouds and stars. The Presentation of the Homecoming Court and the crowning of Rene Fuselier as Queen was a special moment. Thanks to all of those who helped to make it a great success.

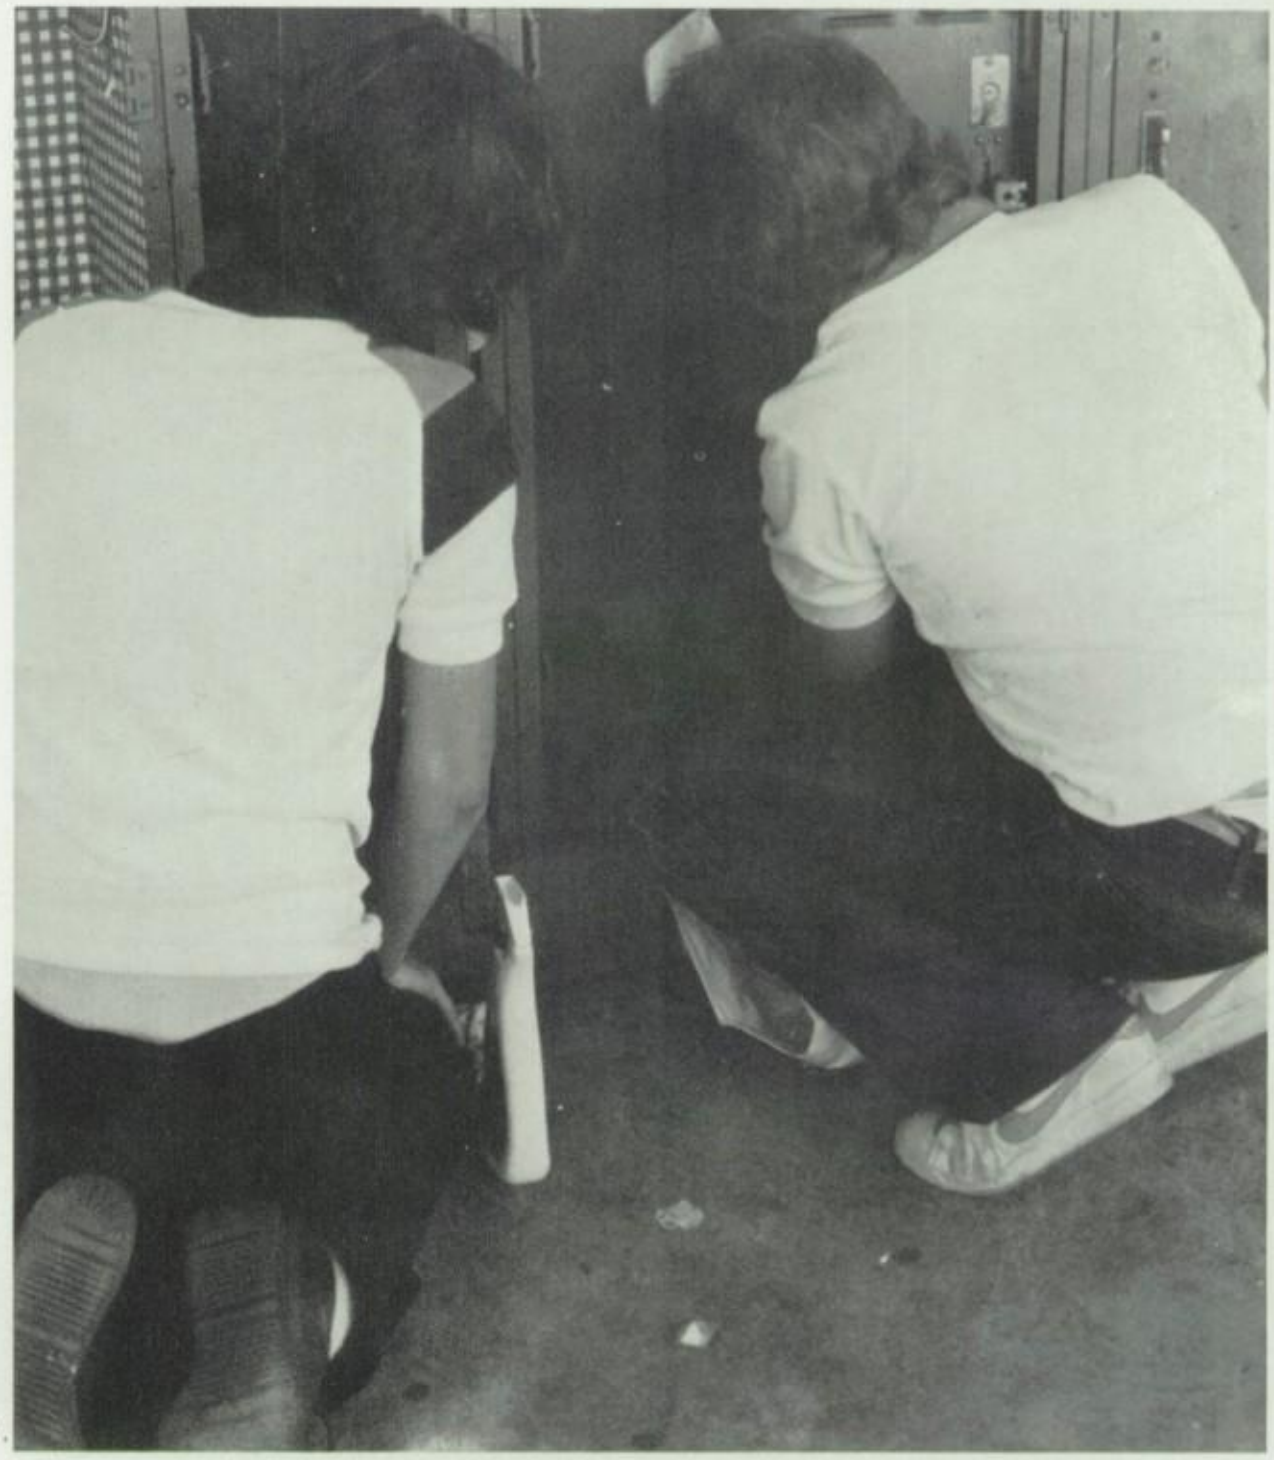
SOPHOMORES

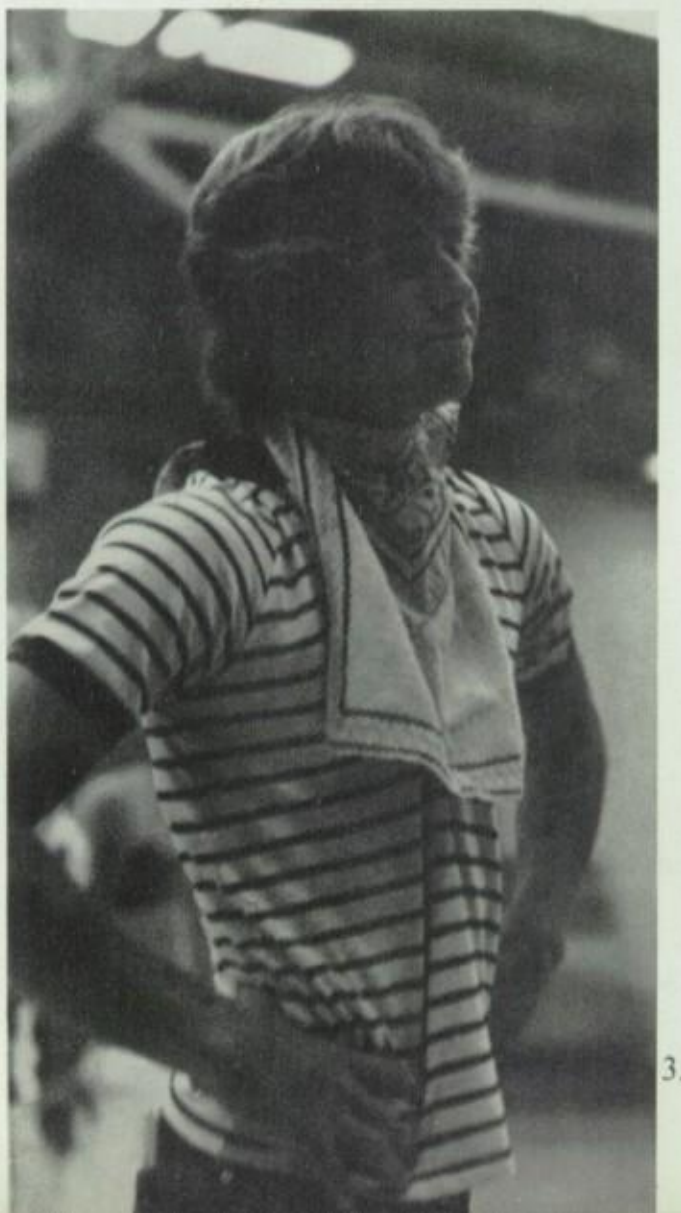
So you wanted to be a Sophomore

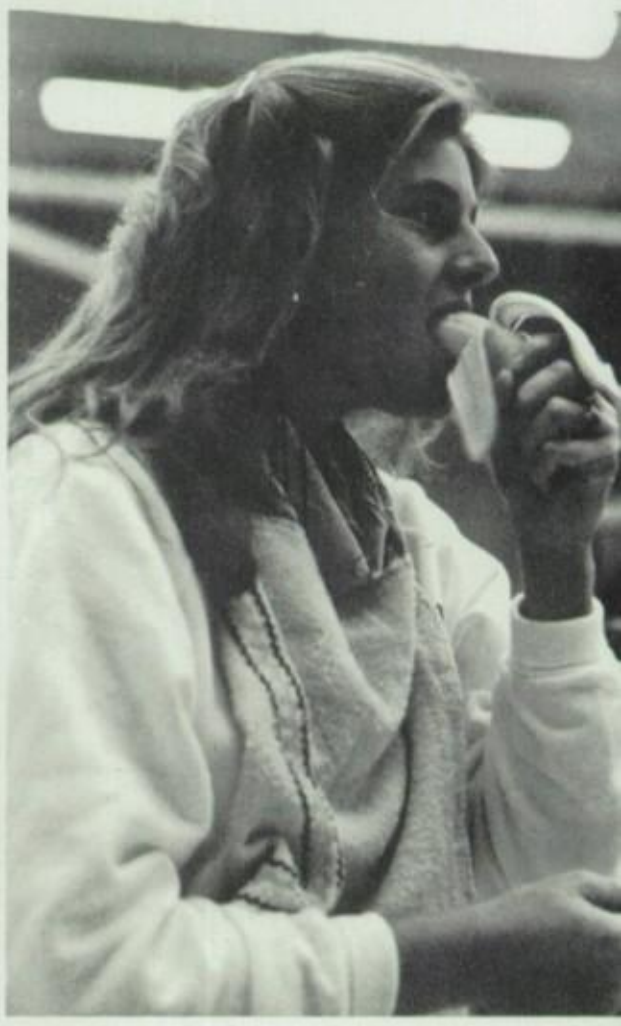
. . . Here's how you did it. You were fresh out of ninth grade . . . finally junior high was behind you. Your dreams of high school and all the fun you were going to have was just about to come true. All summer you dreamed about handsome senior men and pretty senior women, league competition, dances, parties and being able to drive yourself to school. You were glad to see all of your friends again, but you had overlooked the fact that there was also some work to be done. After the first day . . . the nightmares began. Having to read whole books without any pictures, trying to memorize geometry proofs and remember all of the algebra you had forgotten over the summer . . . putting up with harassment and being a little sophomore, you weren't used to all of that mental strain thrust upon you by the adult world.



1.

2.





3.

5.

1. It looked like a great place to stash our loot. Even after measuring, we weren't positive.
2. Hey, Mom! Look at what a good boy I am eating every last bite without even being told. Well, maybe with a little help from my friends.
3. Ted O'Brian playing the big man on campus.
4. A sophomore in anticipation waiting to take the first, big bite.
5. A dream realized, that first big day in a real high school classroom.
6. Mr. Stein lecturing the kiddies about their schedule for the oncoming year.
7. The sophomore students rush to the bank to get their ASB cards.

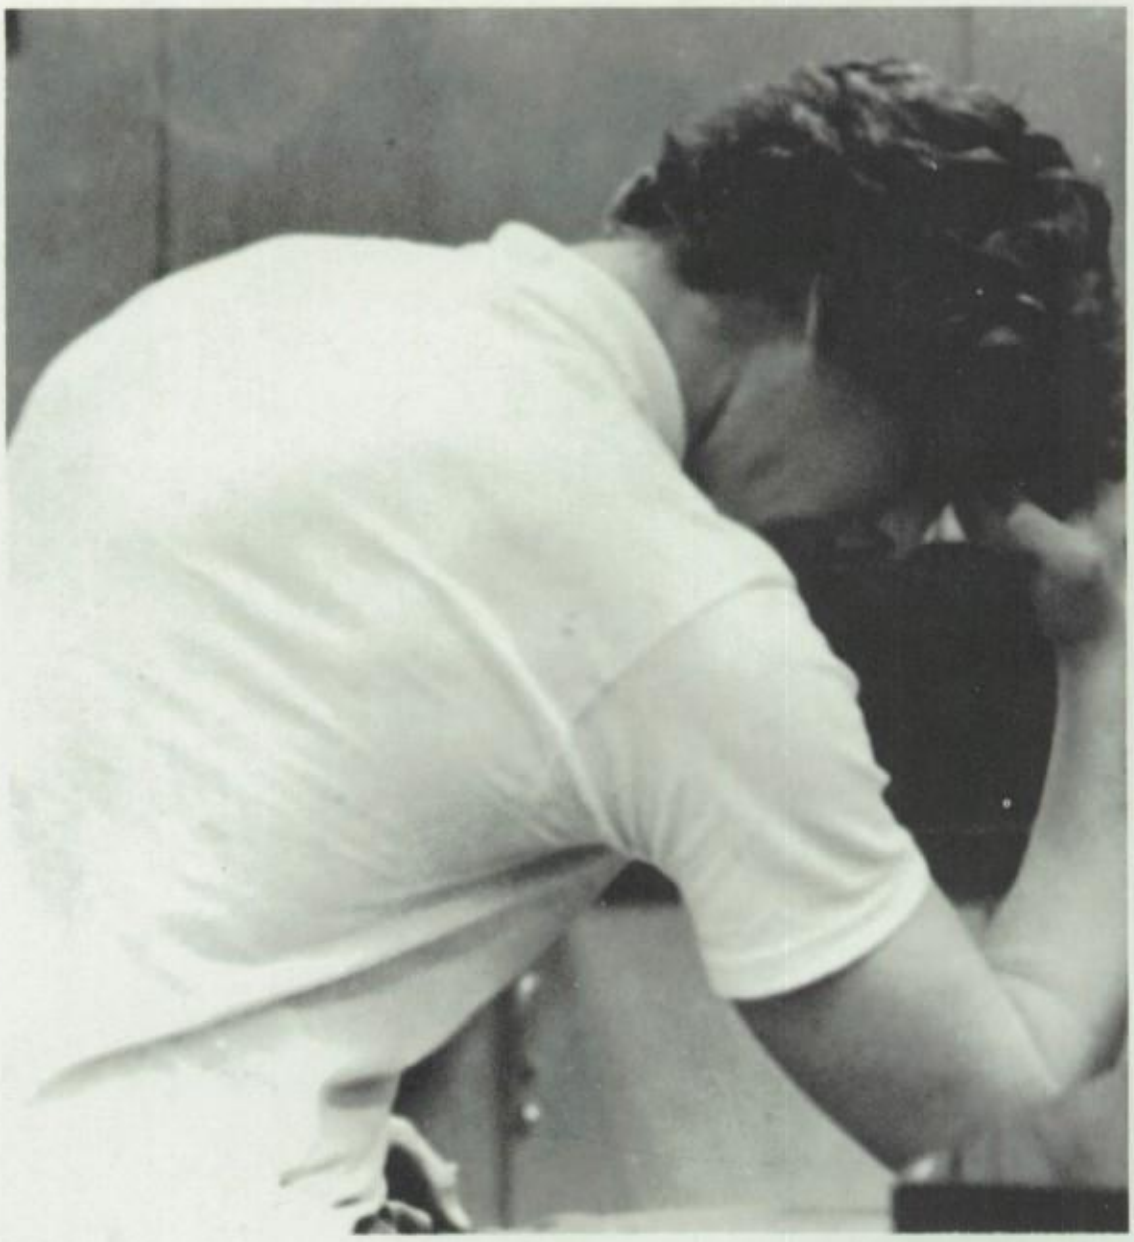
JUNIORS

So you Wanted to be a Junior



You finally made it through your hardest year. After the first week you were already wishing you were a Senior. You didn,t realize for a few months that trying to keep your job and a high grade average wasn,t going to be easy. Reading*Macbeth* and *East of Eden* plus doing all your American Studies were some of the not-so-fun happenings of your Junior year. Some of the better happenings were the Junior Prom, driving, and moving up in some sport from junior varsity to varsity. You were glad to drive finally, but a lot of your friends still didn't drive so you played chauffeur. Like all juniors, you looked forward to the Junior Prom and now you're looking forward to the Senior Ball. As a sophomore you were stuck playing junior varsity even if you were better than the seniors. As the junior year rolled around you found yourself playing varsity. All in all the year was not a total loss, it had its good times too.

JUNIOR SPOTLIGHT

The Leland Legend wants to provide you with a refreshing change. Instead of the usual sports-activities oriented stories, the following feature spotlights Junior Derek Wong. Only thirteen years old, Derek has achieved a degree of academic excellence that sets an outstanding example for other students. The Leland Legend-Derek Wong interview runs as follows:

LL: Hi, are you Derek Wong?
DW: Yes.
LL: Would you mind if I asked you a few questions to be featured in the Yearbook?
DW:No.
LL: Derek, what is your grade point average?
DW: 4.0
LL:When was the last time you had a B?
D.W.: Two years ago.
LL: Is it true you are taking Physics, Math Analysis, Computer Programming, Pre-A.P. English. American Studies A.P., Chemistry and French?
D.W.: Yes.
LL: Is it true you are thirteen years old?
DW: Yes.
LL: What grades have you skipped in order to be a junior at thirteen?
DW: Fifth,Eighth and Ninth.
LL: Which subjects do you like most?
DW: Math, Chemistry and Physics.
LL: Why are they your favorites?
DW: They're interesting.
LL: Do you know where you'd like to go to college?
DW: Berkeley, Stanford or Cal Poly.
LL: Do you have any career plans yet?
DW: Electronic engineering. Possibly.

In order to find more information on Derek we interviewed some of his teachers. Science teacher Dave Dickerson teaches Computer Programming, Wong's major interest. Dickerson calls him an "extremely perceptive student," who he would rate as "one of the top three or four students" he has met in his 19 years of teaching experience. Despite Wong's age Dickerson claims he is beyond his years in maturity.

According to Dickerson, Wong has a "tremendous sense of humor" as well. Sensing his quietness he at first hesitated to "kid" Wong as he usually does his other students. Later however, he learned that it was no problem and that Wong blended well with students and teachers.

Dickerson predicts a bright future for Derek. He expects him to get involved in research. Someday, he says, he wouldn't be surprised to "pick up a chip(integrated circuit chip) that was called the 'Wong Chip.' "Dickerson is excited about the fact that there is still much room for Derek to grow. "If he's like this at 13, what's he going to be like at 17?"

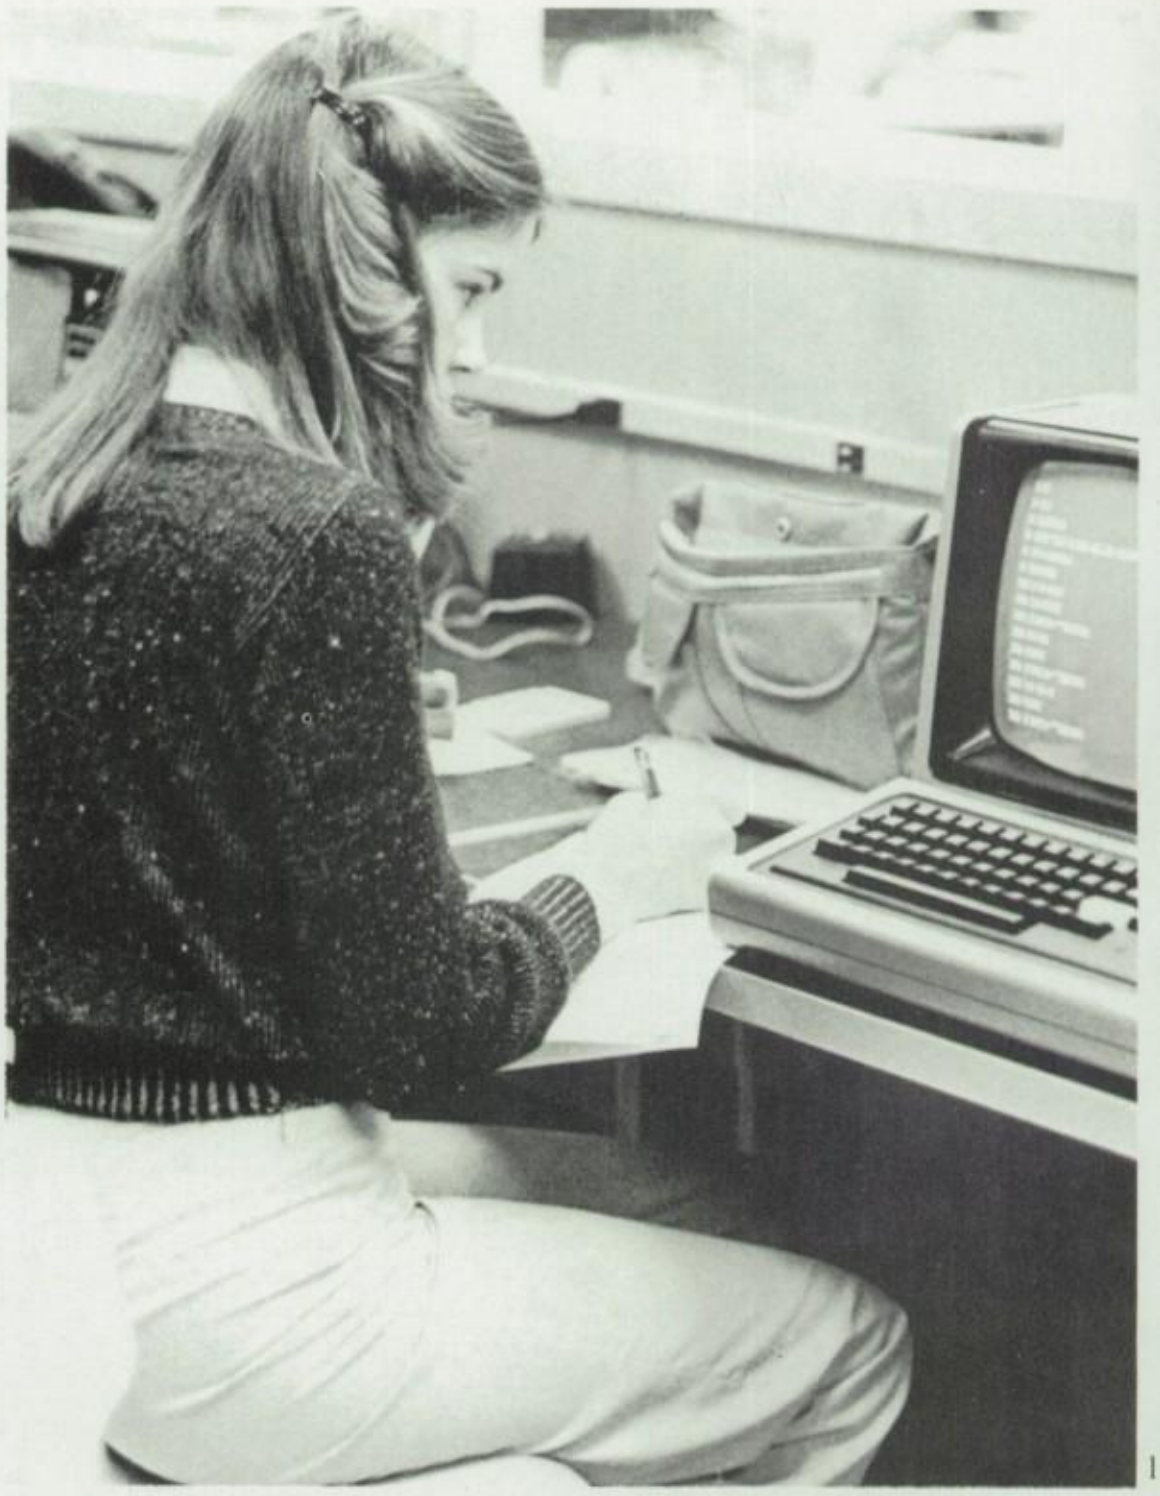
Richard Limb, Wong's English teacher, says Derek possesses an "exceptional Academic drive to succeed and to do well in any subject. Fortunately, he has the mind to go with it. Drive and capacity are not always compatible."

SENIORS

SO YOU WANTED TO BE A SENIOR

Seniors had a life of leisure. Most seniors started school at 9:30 and were back in bed by 10:30. However, those who had a full schedule found themselves up at dawn scraping the frost off their windshields. The sole benefit of this inconvenience was the privilege of parking in the parking lot (or out on Via Valiente!) A typical senior schedule, from a reliable source, consisted of PE, TA for the football coach, Typing I, and Foods I. The intellectual senior, however, challenged himself with Advanced Placement (AP) Underwater Basketweaving. As a break from this exhausting schedule, seniors were known to make a run for the nearest Winchells. Coming back to school ten minutes late for their next class was no problem for the Leland senior. By that time they'd mastered the art of fast talking to waive any tardy.

Some poor souls, unfortunately, never caught that famed-disease: Senioritis. They were seen on campus (ALWAYS on campus) running from Physics to Calculus with their calculators bobbing up and down on their belts.



1.
Sharon Eulitz attempting to disprove Einstein's theory of relativity.
2.
Foods I students-Lorraine Mullinex, Lori Lucas, Mary Avanetti, and Charlie Ousley take a break from the heat of the kitchen.
3.
Cyndi Johnson and Dave Fahrney make a "famous" senior donut run.
4.
Craig Miner and Serena Inglese: "honest we overslept"
5.
Chris Cameron, Alan Smyth, Brent Jones, and Kelley Baird enjoying senior life.
6.

Senior Bests

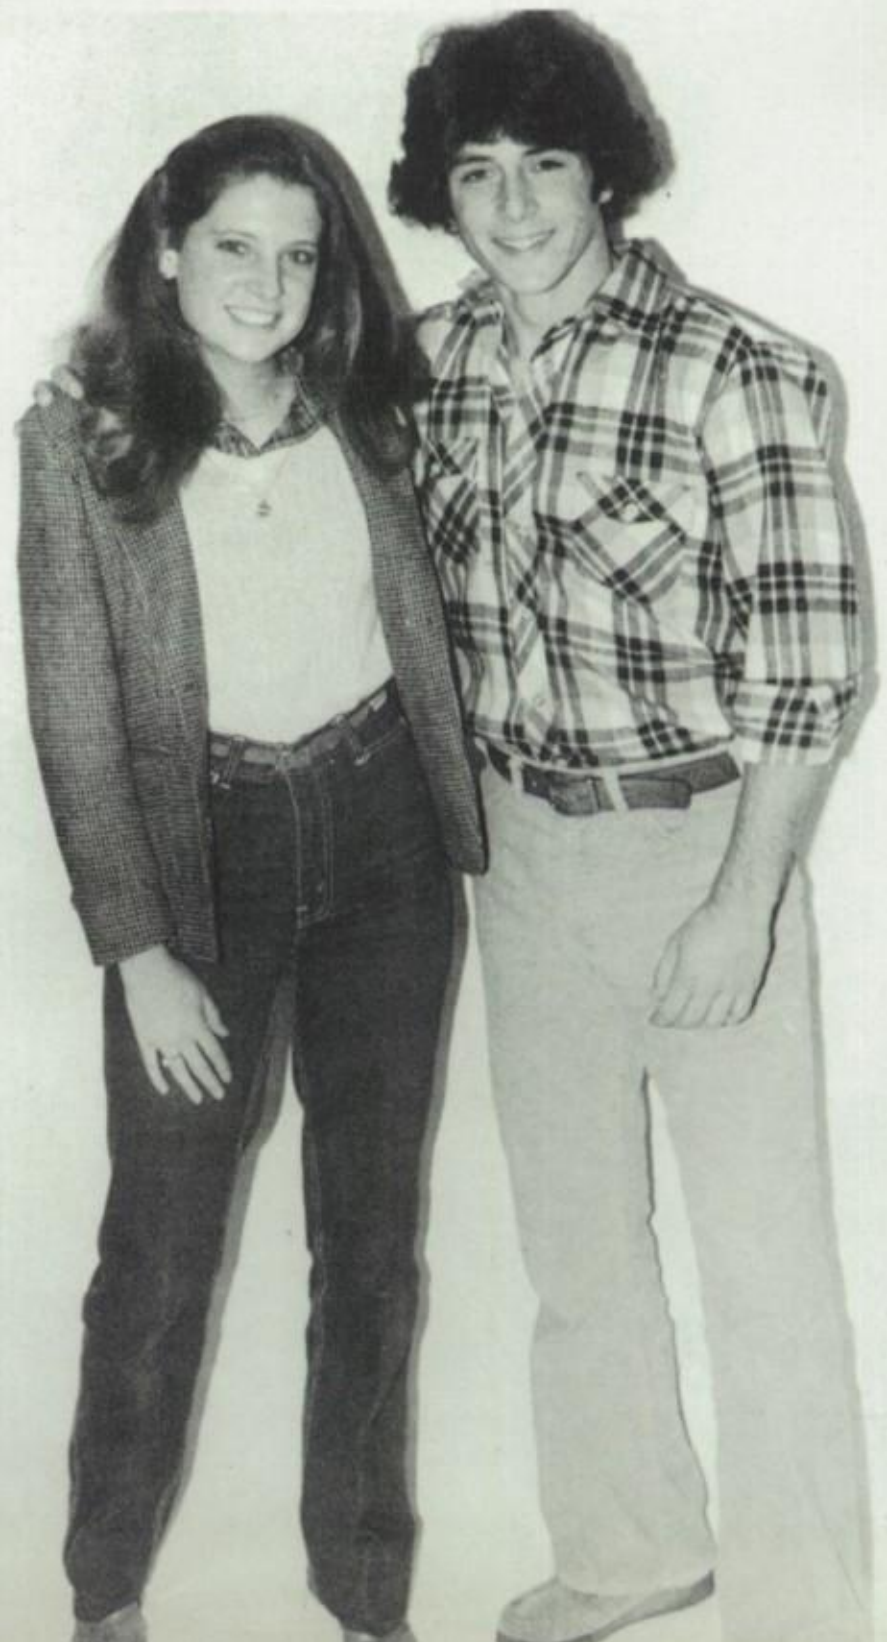
Best Looking

René Fuselier and Mark Friday

Rene and Mark have always had an appeal. Marc's strong look has made the girls "oogle" for years. While Rene's soft look has made her homecoming princess her junior year, and homecoming queen her senior year.

Best Personality

Tracy Stepovich and Ben Stein

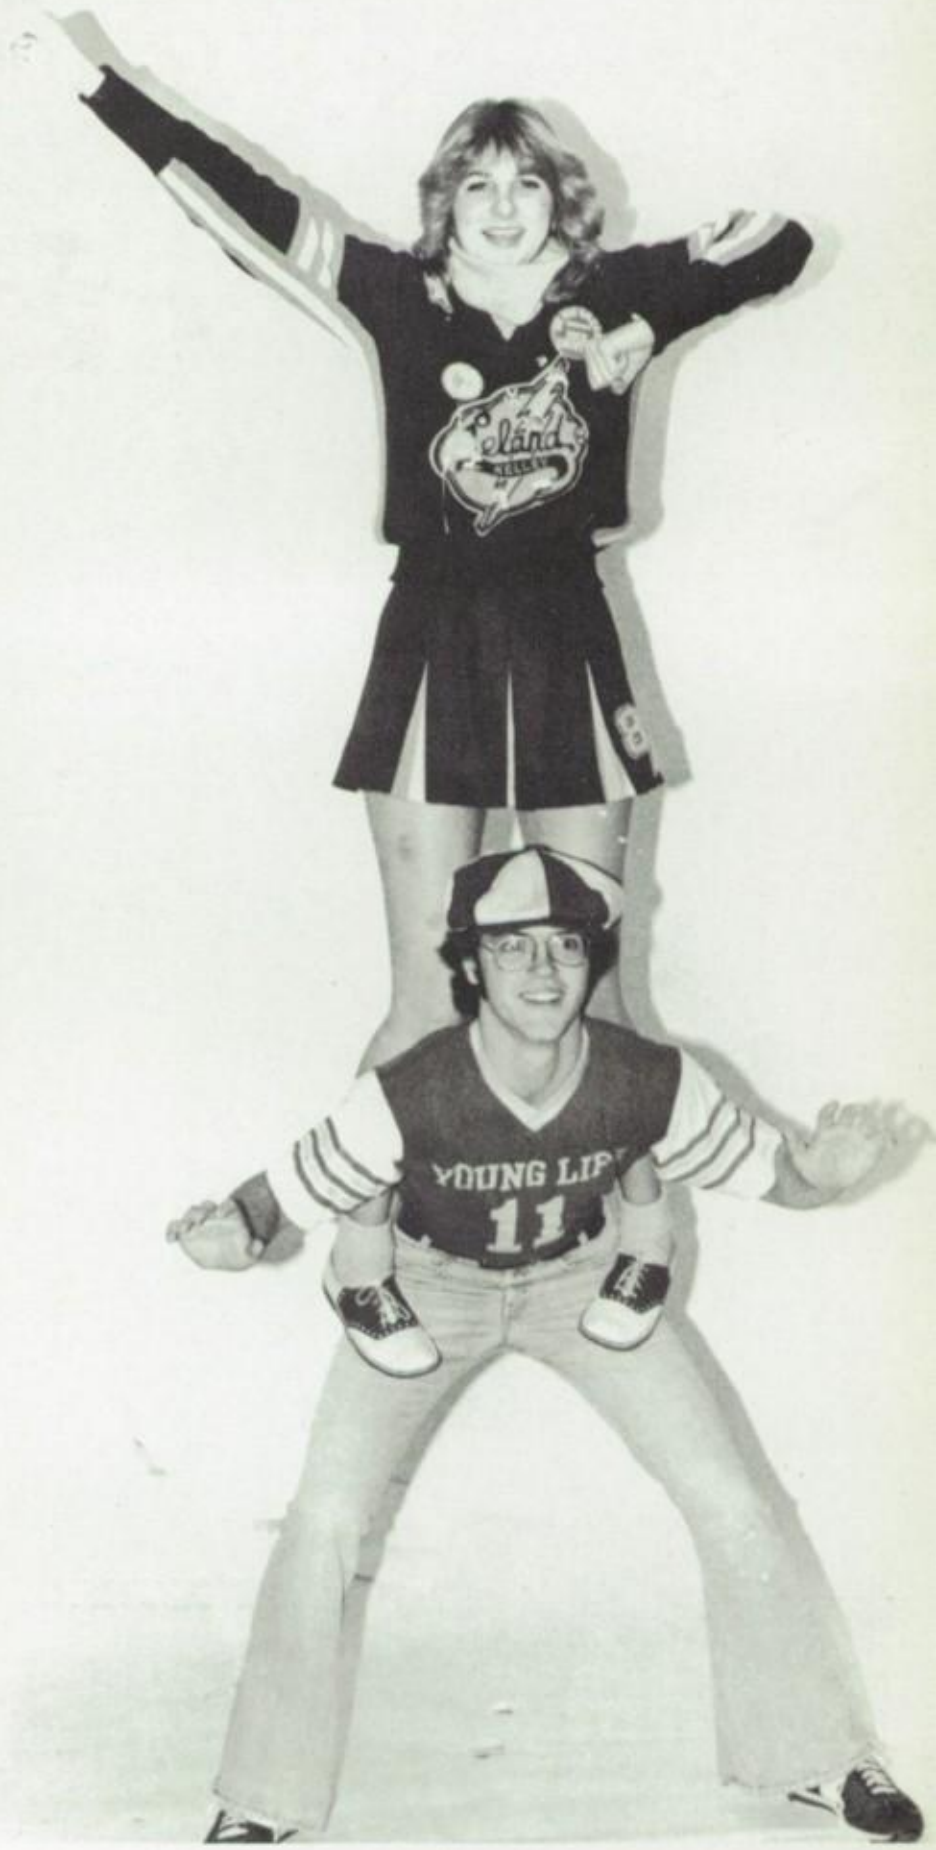


Tracy and Ben have been known for their congeniality throughout the years. Tracy has always been sweet and helpful, and Ben is nice and very witty.

Most Spirited

Kelley Monroe and Tom Rossmiessl

These spirited kids played an active role in cheering the Chargers to victory. Kelley, a varsity cheerleader, is always out there enthusiastically cheering. Tom is the leader of the Leland Rowdies, well known for their "off the wall" cheers.



Most Unforgetable

April Kemp and Brad Chapman

This "odd couple" is definitely unforgetable. Brad, the "all American" Skateboarder in his sophomore year, turned "punk" his senior. And April's Carolina charm, and Southern Belle smile will not soon be forgotten.

Most Talented

Wendy Campbell and Brian Fuqua

For Wendy and Brian talent comes naturally, even though they both work very hard. Wendy is a varsity songgirl, and she is a world class baton twirler. Brian has been active in drama all three years at Leland.

Best Dressed

Terae Lyons and Jeff Pitts

It is obvious that Terae and Jeff were voted best dressed by peers for the chic vogue way they dress. Jeff is very classy, and Terae has taken on the "new wave" look, simply smashing.

Class Clowns

Aida Torresola and Alan Smyth

These two jokers, have brought laughs to the people at Leland for years. Their zany antics will be remembered for a life time.

Most Feminine Most Masculine

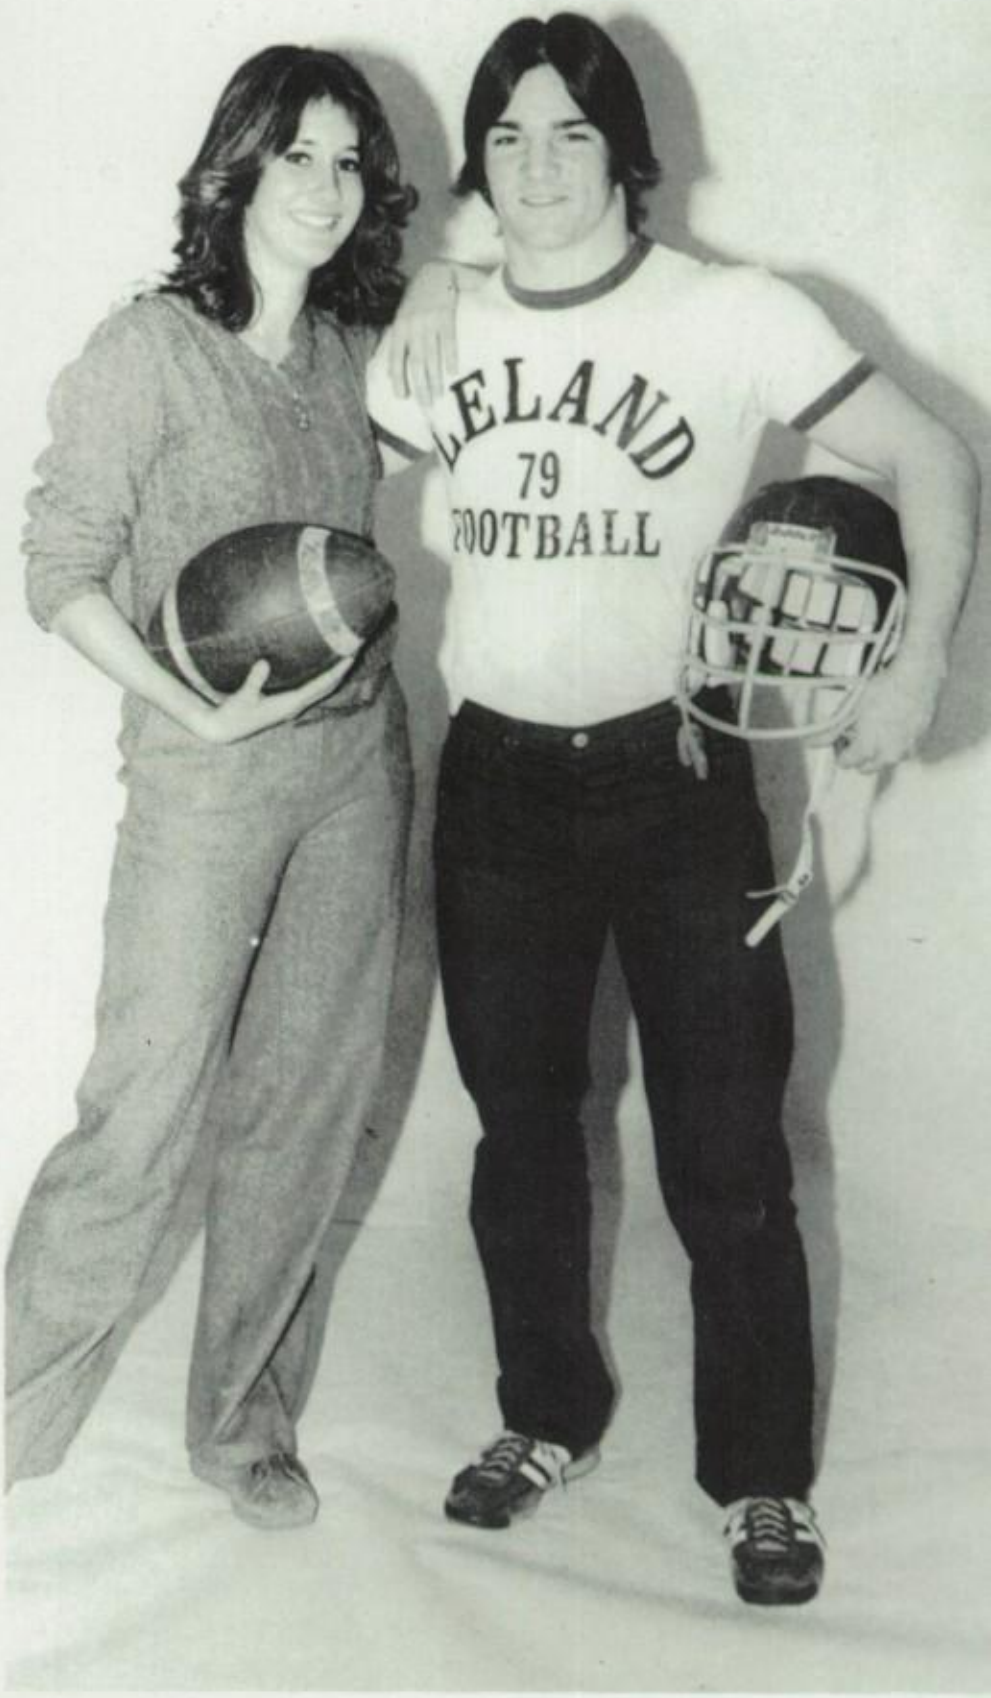
Sandy Masterenko and Jim Cranston

Sandy, the femme fatale of Leland High with her long Blonde hair is the epitomy of femininity. Jim, on the far extreme is a macho man with big muscles, a moustache, and "Cope" .

Most Athletic

Cydney Reuter and Chris Cameron

Sports have played an important part in the Leland lives of Cyd and Chris, and they have played an important part in Leland sports. Cyd played soccer and ran track, while Chris was active in football, wrestling and baseball.



Most Likely to Succeed

Lauri Busboom and Tony Steimle

Lauri and Tony have been voted most likely to succeed, because both are intelligent as well as ambitious. Both are in all accelerated classes, and their classmates feel they will go a long way after high school.

Best Eyes

Beryl Grace
and
Stanko Yuckovich

It's clear to see that both Beryl and Stanko are very striking people. When looking at them, their eyes are their most outstanding feature. Stanko's eyes are almost topaz in color; and Beryl's are big, soft and brown.

The Best All Around

Chris O'Brien
and
Keith Kawashima

Chris and Keith have been voted Best All Around simply because they have a blend of all the essential Qualities. They are extremely kind, good looking, intelligent and talented. Any way you look at them, they come up winners.

Leland High Administrators

Principal
Don Lucas

Leland's new Principal Don Lucas equates coming to Leland with being in love . . . sort of. "*This* love is more of an educational partriotism," says Lucas. "I knew Leland through my kids, and thought it was a marvelous school. Then when I got her I found it was even better!"

Mr. Lucas is a big man on campus. Standing 6'6", he exercises his control at Leland with a large sense of humor, along with a high opinion of the school. "At first I thought Leland was a largely athletic-minded school, because of its success in that area, but it is now clear that Leland has many other outstanding aspects. Its art and musical departments, newspaper, yearbook (of course), clubs . . . and especially its academic atmosphere all contribute to Leland's overall excellence."

Lucas does hope, however, that very comfortable financial circumstances won't make Leland students insensitive to "those less advantaged." Here at what he calls "Trans-Am High," there are some kids sheltered from the "real world" . which he hopes Leland is preparing them for.

Former Principal
Dan Jackson

In all walks of life people are called upon to move on. Leland's Principal Dan Jackson received that call in November of 1980, when he became the new principal of Willow Glen High.

"I'll always be loyal to Leland, but why go to another place and be unhappy? You can be very loyal and all of that, but what does that have to do with another place?"

In one simple sentence Mr. Jackson summed up his feelings on his move from Leland to Willow Glen by saying, "I'll always have a blue and gold outfit, but now I'll have to buy a red and gold one, too."

The Welcome Dance . . .

The Welcome Dance proved to be as good as it is every year, and that's no lie. It was everyone's chance to meet all of those strange new faces that they had seen in the halls everyday.

Togo Party

Magazine Drive winners munch out.

1. Is it supposed to look like this?

2. Finger lickin' good!

3. Ben can't seem to get enough.

4. Gross, what's in this stuff?

Mr. Buck's, Mr. Carlson's and Mrs. Pimentel's 9:30 classes were all winners of Leland's 1980 Magazine Drive, with the highest average sales per person. The hardworking students were rewarded with scrumptious Togo's sandwiches for their efforts.

Leland students explored the brave new world of fun and school spirit on Halloween this year by letting their imaginations run wild and, being down right weird.

1. Clickety-Clack! Have a snack!

3. "Blondie" Chapman says: Call me!

4. You better be nice, Mr. Setterlund!

2. Who says Leland cheerleaders don't have a sense of humor?

5. "Gim'me some lovin'.

Tori Eakes

As we enter a new decade, Leland Spirit continues to be of the highest degree. The staff of '80-'81 has consistently proved to be energetic and enthusiastic. School spirit does not evolve around the Spirit Staff; however, this year, as well as others, the Spirit Staff has contributed to the Charger Spirit of the new decade.

Scott Kovalik

Working with this year's Spirit Staff has been a wonderful experience which I shall never forget. All of the members were dedicated, hard-working, enthusiastic and, above all, spirited. Leland would be at a great loss without their efforts.

RALLY TIME

Rowdy Leland Rowdies

Rowdies get bounced

The Leland Rowdies were banned from the gym. Their enthusiasm at basketball games caused a few comments, a few laughs – and an angry Mr. Mahaffey. Before an unhappy Jack tossed the kids out, they left behind these memorable yells.

U - G - L - Y
You ain't got no alibi
You're ugly! You're ugly! Ugh!

Hamburgers, Hotdogs
Bacon and Eggs
(Opposing team) girls have
The hairiest legs.

Here comes the King
Here comes the big number one,
The Leland Chargers are second
to none
Give us a cheer, yeah!
Or we'll kick your ass
When you say Chargers
You've said class.

A WINTER'S DREAM

On December 19 the senior class sponsored a very successful "Winter's Dream" dance from 8-11 in the school cafeteria. Over 100 couples will remember an evening with the band Fragile. The highlight of the evening was the coronation of King Chris Cameron.

Princes had been elected by each class the previous week. (From left to right in adjacent picture), Junior Todd Urban, Senior Chris Cameron, Junior Ron Anderson, Sophomore Ted O'Brien; front, Seniors Bob Carpenter and Jim Cranston. Not Pictured: Sophomore Bryan Yedinak.

The Crucible

The 1981 Drama Class presented "The Crucible." This account of the Salem Witch Trials by Arthur Miller does not deal with fantasy. It is based on actual accounts of trials and executions of innocent people. It was student directed by Rene' Martinsky, Coleen Grant, and Lori Levine, and directed by Mr. Joe LoBue.

Leland Doubles

"I always have at least one friend" was just one of the advantages stated by one of the ten twins shown above.

Eleven sets of twins attended Leland during 1980-81.

Those shown here are Seniors Leslie and Roy McIntosh, Juniors Nicole and Denise Plaquette, Seniors Todd and Anne Schivo, Seniors Sean and Anne Murray and Sophomores Pat and Tom Campbell.

Other advantages stated by the twins were:

"I always have someone to help me with my homework."

"We share some of our clothes."

"Neither one of us is considered the oldest or the youngest in the family."

All is not lovely in the lives of twins. There are disadvantages also.

"Some people think we are alike, but really we are two different individuals."

"We get less for birthdays and Christmas."

"We have to drive the same car."

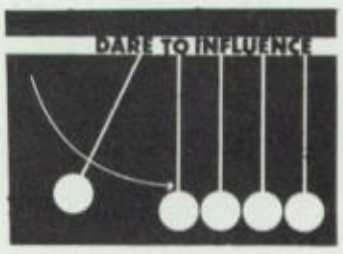
DARING TO INFLUENCE
Unlocking Doors with Key Club



In the past two years, the Leland Key Club has grown from an organization that involved 19 members to the largest Key Club in the world! As a service club, the main objectives of the Key Club have been to serve the school and the community, offer opportunities for development of leadership and to provide experience in working and living together. This year's Leland Key Club successfully sponsored over 100 projects, hosted the District Key Club Convention in San Jose, elected members to serve as Division 12 Lt. Governor and District 12 Sweetheart as well as running candidates for the offices of Cal-Nev-Ha District Governor and International Trustee. The Key Club members have DARED TO POSITIVELY INFLUENCE the lives of their peers and if enough young people continue to make Key Club a priority, The Key Club Motto, "Caring–Our Way of Life" will continue to be more than just a saying.

LELAND'S FOREIGN EXCHANGE STUDENT

Some American kids spend 18 years unsuccessfully trying to master their own language. Brazilian Zusanne Nagy has learned English, Swedish, Hungarian and her home language, Portuguese, in that amount of time.

This year's only foreign exchange student at Leland, Zusanne was born in Sweden, raised in Brazil, fathered by a Hungarian and educated in an American school for five years, and therefore came into contact with four different and difficult languages.

Back in Brazil, Zusanne says a trip to the U.S. sounds exciting to any teenager, but that she was at first afraid of encountering many important cultural differences. However, she found that the U.S. was not much unlike her own country, and that American students were warmer and friendlier than she expected. One large difference, she noticed, was the amount of personal freedom that she saw that all Americans possessed.

If you would like to keep in touch with Zusanne once she returns to Brazil, write her at this address:

Courtney Landrum, Greece: I loved being surrounded by the ancient and the new. I was impressed with the curiosity and friendliness of the people.

Joy Yumen, Belgium: Now we have families in other countries, and we were able to learn about those countries from the inside, rather than the outside.

Sandy Higgins, Holland: Windmills, punk rockers, great food, windsurfing, Rembrandt, the cottage by the sea, bicycling through the forest . . . I can't stop talking about it!

Maureen Mitchell, Greece: I learned that there's more to Greece than blue sky and white, sandy beaches – it's a people with a rich past and a culture all its own.

SPORTS

. . . So you wanted to be a jock

So you wanted to be a jock. Maybe a star. Maybe most valuable player. Maybe make the team . . .

It's the last practice before the first game. Running down the field, the yards race past you, when suddenly, the team tub-o-lard pounces on your arm . . . #*$! . . . snap.

You know that wearing your studley jersey would attract girls . . . but not flies. After your dazzling white turns green, you have to choose between having friends or wearing your jersey.

Your manly legs are speeding around the track as you approach your girlfriend. You hold in you breath to appear unmoved by the grueling workout . . . when suddenly you double over and throw up on your girlfriend's new track shoes.

Having finally made varsity, you're excited the night before a big tournament . . . until you realize that you must choose between sleep and passing French.

You walk to school on a beautiful day, with no broken bones, a clean jersey, and your homework finished, but when you arrive you see coach . . . sporting a strike sign.

They call you "Savage Smasher" but that didn't help you when you learned you'd spend half the season hitting the sled, catching crabs, chasing hares and hounds, passing bummer road, beating eggs and bucking up.

Out of eight games they lost none and tied none. They out scored their opponents 309-29. Shutting out five of the teams they played,they only let one team obtain more than a one digit score.

At the awards banquet, Head Coach Eddie Buller was quoted as saying, "In the true sense of the word, these young men are winners".

VARSITY FOOTBALL

The 1980 Charger Varsity Football Team played one of their most exciting seasons in Leland history, but unfortunately for the fans, players, and coaches the year ended in a low note.

With 18 seconds left in the season which included a Chris Cameron field goal in the final seconds to beat Pioneer and a 63-20 trouncing of Lincoln, Gunderson connected on a field goal to keep Leland out of the playoffs. That game, though, will be remembered as one of the greatest Leland comebacks; the Chargers overcame a 34-7 third quarter deficit.

The year was also highlighted by a 96 yard kickoff return by Steve Mayes, a 44 yard interception taken into endzone by Keith Pierce, and Ron Anderson touchdown passes of 65 and 69 yards to Keith Bush and Kirk "Porkey" Gibbs respectively.

"We were so adversely affected by outside forces we had no control over our outcome," noted Head Coach Steve Cox. The Chargers were "screwed, glued and tatooed" by the teachers' strike and numerous league and district officials, but as always, the coaches are looking forward to a successful season in 1981.

The Polomen and Rookie power led by coach Doug Wright finished the year tremendously.

In league play Leland took second place by just barely losing to Live Oak in the last quarter.

Despite the Chargers misfortune of not being accepted into the Central Coast Section Finals Tournament, their skills were acknowledged by a number ten ranking in CCS just before the finals began.

In CCS competition quite a few upsets attributed to the Polomens' number ten ranking.

One game in particular was against Gunn High School. Greg Yedinak seemed to leave the Gunn team, spectators and the Gunn coach humiliated, perplexed, and awe stricken by scoring all nine of Lelands goals.

The Polomen and Rookie power were rewarded at the annual banquet for their hard worked season. The following players received these awards:

Most Valuable Player: Greg Yedinak
Most Valuable Offense: Scott Rodeo
Most Valuable Defense: Ted Pearson
Most Improved: Dave White
Most Improved Sophomore: Bryan Yedinak

The Leland Varsity Tennis Team, powerhouse of the Stal, once again went undefeated in league for the fifth straight year. With their 12-0 league record, they went on to win the region 3 title. They eventually captured third place in CCS with an fantastic overall 17-3 record. Although they were originally hard to coordinate, the team came through in the end with everything hoped for

In individual competition, the doubles team of senior Valley Myers and junior Alison Enborg took league and went to CCS. Sophomore Wendy Elliot took second in the league and went to CCS. These and other fine players helped make the team into such a great force.

The great season can also be atributed to the fine coaching of Judy McTighe who helped unite the team during their great season.

Girl's Swimming and Diving

The girls swim team kept their outstanding Santa Teresa Athletic League record going in the 1980 season.

For the fourteenth year in a row the swimming and diving teams, under the fine coaching of Norman Orloff, won the Stal league championship title.

In CCS the frosh/soph team showed their strength by taking second overall out of scores of teams. The frosh/soph medley relay team took first place and just missed the CCS record by one one hundredth of a second. Individually Nancy Shwabe earned first place in the 100 yd. individual medley.

After their long tough season the girls were rewarded with special swards.

This years Field Hockey Team, after beginning with such high hopes, suffered through a disappointing 3-6 season. Many of the players were new and inexperienced, and the team just could not stand up to its more experienced competitors. Next years team should be more successful with the return of this years more experienced juniors and sophomores.

Cross Country Takes It all!

The 1980 Cross Country team proved to be one of the all time best in the history of Leland. All four of the teams did exceptionally well. The team was fourth in C.C.S. In League boys Varsity was second, Girls Varsity was third, Boys J.V. was first, and Boys sophomore team also came in first place.

The most surprising thing that occured in this years season was the huge amount of participants that turned out. Last years team had a total of 13 runners. This year we had 40 runners on the team.

Darcy Waterman led the Girls Varsity team throughout the first half of the season but was unfortunately forced out by an injury. Patti Simon followed in her footsteps as leader of the girls team. Darcy received the most Outstanding award.

The Boys Varsity was led by the returning Scott McIntosh. McIntosh received the Outstanding award for the boys team. Rich Stein made tremendous progress throughout the season and became the most Improved runner.

Although the J.V. team generally consisted of track members out to build endurance, they did incredibly well. Sophomores also were on the run, with a team of 13 they ran to first in the league.

With the help of Coach Wayne Burdick the 1980 Cross Country team proved to be the finest that has come along in years. Leland's team proved to have running power!

Boys Varsity: Kevin Zimlinghaus, Paul Pfeiffer, Rob Rucker, Keith Gollwitzer, Rich Stein, Scott McIntosh, Kenny Lewis, Jim Cooley.

Girl's Varsity runner Darcy Waterman.

Boys Junior Varsity: Alan Stednitz, Ken Miller, Phil Wheeler, Greg Wilson, Tom Brezoczky, Dave Lesyna, Start Swan.

This years J.V. Girls Volleyball team had a very good year, winning every match they played (including pre-season).

According to sophomore Kate VanEeghan the key to their success was, "It took time, patience and mainly good coaching . . . but most important the willingness to sacrifice our BODIES."

This years J.V. was very well rounded, the teamwork they displayed was nothing short of phenomenal. Two players that really stood out were Claudia Cameron and Alice Crocker, who played with the varsity team at the C.C.S. Regionals.

Team M.V.P. was Claudia Cameron. Most improved was Nicole Buller and the coaches award was won by Alice Crocker, Kate VanEeghan, and Lori Pierce.

CHARGER BASKETBALL

Varsity Basketball

1980-81 Leland Varsity Basketball Teams: Top: Assistant Coach Steve Seandel, Mitch Wilson, Jim Stewart, John Murray, Eric Koller, Scott Eccles, Mike Haysbert, Jeff Pitts, Head Coach Tom Kissane. Bottom: Ronnie Anderson, Todd Buller, Chris Anderson, Dave Anderson, Mike Shea, Jim Galvin, Robby Rucker.

For a team not highly rated prior to the 1980-81 varsity basketball season, the Chargers overcame many factors and squeezed their way into the Central Coast Section Playoffs.

Leland launched the 1980-81 basketball campaign by upsetting fifth ranked Yerba Buena and rolling to a 7-3 pre-season record. The Chargers captured third place in the Bellarmine Tournament and wrapped up fourth in the Sunnyvale Holiday Tournament.

The Santa Teresa Athletic League season, however, was an entirely different story. The Chargers salvaged a 6-6 league mark and slipped into the Shaugnessy Playoffs thanks to a Gunderson forfeit. Leland beat every team in the regular season except Willow Glen and lost to every team except Pioneer.

Coach Tom Kissane and the Chargers avenged the two losses to Willow Glen by upsetting them in the first round of the STAL playoffs. Leland then got by the Lincoln Lions and assured themselves a spot in the CCS playoffs.

For the Chargers, it was their fourth entrance into CCS playoff action and the team responded by winning the opening round game against Los Altos. The Chargers then traveled to Fremont High School where they succumbed to a tall Saratoga team.

The loss meant that Leland was one of the top sixteen teams in CCS - not bad for a team with a 16-12 overall record.

Sophomore Basketball

Sophomore Basketball Team: Top: Eric Wolf, Russ Heinsen, Steve Murray, Dave Weisman, Bob Griffin, Tim Furtado. Bottom: Tom Sellick, Mike Geiss, Roger Crocket, Brian Yedinak, Todd Martinsky, Shaun Miller, Doug Britt.

The Leland sophomore basketball team finished with a 15-7 overall record, and a 9-3 league record to place second in the STAL.

For the first time in four years, the Chargers failed to take the league championship. Had they possessed the talents of Mike Haysbert and Chris Anderson, who had been brought up to the varsity level, the seasonal outcome may have been different.

When asked if the team performed up to its potential, first year coach Scott Grimditch replied, "We had a good season, we weren't very big. but we played well." Grimditch, who came from Lincoln, felt that it was very easy to adapt to Leland. "I love it here." He said happily.

The Chargers placed four players on the STAL all league team. Bob Griffith was chosen for first team honors, Doug Britt was voted to the second team, and Dave Weisman and Brian Yedinek received honorable mentions.

With all of the talent coming up from this years sophomore team, next years varsity squad should be excellent.

GIRLS' BASKETBALL

Varsity Team

Girl's Varsity Team: Alice Crocker, Susan Taylor, Kathy Grover, Betsy Bowers, Dawn Kellen. Bottom: Kate VanEeghan, Sally Onstead, Kathy Fleischaker, Sashi Shigemoto, Cindy Elkins.

As expected, this years girls varsity basketball team had an excellent year. Winning their first six games, and taking first place in the McClymonds Warrior Classic, the Chargers topped it all off by playing in the Central Coast Section playoffs.

In the Chargers only other pre-season tournament, the 4th Acalanes Invitational, the girls took third place and Kathy Grover was named to the all-tournament team. Grover and Dawn Kellen were also named to the all-tournament team at McClymonds.

So the Chargers took their 8-2 pre-season record into league play and came away with an 18-4 record and a trip to the CCS playoffs. In league the girls' only losses came to the league champion, Live Oak Acorns.

So with the season at stake, Leland was forced to play Watsonville. The girls had no problem here and won by a large margin. But it was the next game that was the big question for the team, for Leland had to go up against a very strong Lynbrook squad. The Chargers took the task of having to play the number one team in CCsS litely. Keeping close with Lynbrook most of the first half, the girls fell behind late in the second quarter and never recovered. Although the girls did close the margin to ten by games end, it was not enough to advance the girls further in the playoffs and thus, their season was over.

Their 20-6 over-all mark was not a true reflection of the great year they had.

Leland's wrestling team finished with the best overall record in six years, and scored more points than any other Leland wrestling team.

Coach Brian Ganz attributes this great season to *all* of his wrestlers.

Leland finished with an overall record of 8-1, and a league record of 5-1. The team's only loss was the match against Live Oak. After this loss, the team went on to win its last four matches.

This set the pace for the Santa Teresa Athletic League finals. This is the first time since 1978 that Leland has taken first in the S.T.A.L.

Individually, Leland wrestlers surpassed all others in the tournament. Out of thirteen wrestlers, twelve qualified for region II competition. Scott Kovalick, Eric Brown, Joe Mookini and Mark Dean all placed third in league in their respective weight divisions. John Angleri, Ron Mason, Dave Longaker, and freshman Joe Foo placed second in league. Leland finished with four first place wrestlers in the S.T.A.L. These are Ken Brison, Tony and Kirk Foo and Vaughn Glover. Not only did our varsity team finish first in league, the J.V. also finished first.

Varsity Girls take League

The Girls' Varsity Soccer team ended a tremendous season by taking a well-earned third place in the Central Coast Section.

The final game of CCS competition completed the season on a good note. Leland, playing a nice, easy game, blew right by Woodside to a victorious 2-0 shutout.

Di Caldwell, Kelley Robinson and Cyd Reuter were named to the All CCS Team. Reuter was also named most valuable player all league. First team all league positions went to Reuter, Caldwell, Jos Boudreau and Cindy Ohe.

Second team all league honors went to Vally Meyers, Robinson, Alicia Hatakada and Angel Wade. Pam Stiegell and Jen Drumm earned honorable mention.

For the second straight year, the Chargers' season was ended by a loss in the first round of the regional playoffs, this time to Santa Clara Valley league champion Gunn.

After finishing a close second to first ranked San Jose, the Chargers were chosen as one of only three at-large teams for the playoffs. Leland drew Gunn for their first match. This game promised to be a very close match, as it pitted the fourth ranked Chargers against the third ranked Booters from Gunn. The game was hailed as the best one in the first round, and neither team disappointed the large crowd.

It was every bit as close as people thought it would be. Fate was against the Chargers, however, as they repeatedly missed scoring opportunities. To compound their troubles, center half back Chris Ward seriously injured his knee and couldn't play the rest of the game. This greatly depleted the Chargers' offensive punch, and Gunn was able to score twice late in the second half to take the victory.

Regardless of this setback, the Chargers' season was very successful. The team began by taking first place in the Cardinal Cup, defeating Independence 3-1 in the final. They then proceeded to establish a 10-1-1 league record for a second place finish. Both the loss and the tie were suffered against the San Jose squad. The Chargers played well, while outscoring their opponents by a four to one margin, and allowing only ten goals scored against them (seven of the ten were scored by San Jose.) Much of this success can be attributed to the fine play of Rich Volz and Jay Landrum, who both played well in the nets.

Spring Practice makes Perfect

The 1981 track team was one of the largest in Leland's history. With 115 students participating (20 9th graders) Coach Don Bell felt that each division had a strong chance of doing well in meet competition. "I feel the girls have an excellent chance to repeat the League Championship, and the Frosh/Soph team has the potential to be the finest that I have ever coached. In the Varsity Division it's a three way race for the league championship, and we are right in there fighting all the way" .
